

To whom it may concern

It's my pleasure to recommend Gabriela Schallmeiner as consulting partner / Qualified Person.

Gabriela Schallmeiner (as external Qualified Person) and I (as internal Qualified Person) worked together on a new Oncology product at Shire for approximately 2.5 years (2015 – 2017).

I thoroughly enjoyed my time working with Gaby, and came to know her as a truly valuable asset to the Onivyde team. She is honest, dependable, and hard-working. Beyond that, she is an impressive problem solver who is able to address complex issues with strategy and confidence.

Her knowledge of GMP guidelines & regulations was a huge advantage to our team. Gaby put this skillset to work in order to release the product in record times whenever it was necessary to supply our patients.

Gaby has always been an absolute joy to work with. She is a true team player, and always manages to foster positive discussions and bring the best out of everyone.

Without a doubt, I can confidently recommend Gaby as consulting partner / Qualified Person. As a dedicated and knowledgeable colleague and an all-around great person, I know that she will be a beneficial addition to any team / organization.

Please feel free to contact me at +431201002476104 should you like to discuss Gaby's qualifications and experience further. I'd be happy to expand on my recommendation.

Best wishes,
